- *My daughter really love going to school everyday which shows how good the school/teachers are with pupils.*
- *I feel my child is getting the support tht is needed*
- *Variety of subject's*
- *Generally happy with the progress.*
- *Please arrange more after school clubs with more spaces.Some other activities like Yog, Music, Gymnastics Homework support club etc.*
- *I think extra curricular activities should be offered and made available for children. Without limited spaces as not all children can take part. Also increase in communication would be beneficial on Childrens development or concerns on behaviour should be communicated to parents.*
- *Would request school to update parent's on what the kid does activity daily in school.*
- *Very often in the weeks my child doesn't get homework another kids get it. and never get book for reading always I need to tell them to provide to my child*
- *I still until now never received call back to know about my kids progress when we had parents evening we had problems I been told will Rearrange appointment*
- *More feedback during the term on how my child is progressing would be appreciated. As would provision for music and language lessons. Would be nice if reception staff would acknowledge receipt of emails they are sent.*
- *I would prefer teachers give home work to do in their hand instead of DB primary and all meetings face to face.*
- *No communication between parents and teachers this year apart from one parents evening often has different teachers*
- *Please give extra learning for home*

Autumn 2021-2022 Parent Questionnaire - Analysis

- *I feel the curriculum is dated and should include topics which would give the children a good understanding of how to survive in the world as well as what they are currently leaning .*
- *Absolutely fantastic education and personal development, provided in a safe and stable environment that also takes into consideration the child's needs, so they can progress to their best potential.*
- *"Please try to provide more places or more days to include all kids for afternoon clubs such as multiple sports so everyone can be in that club without disappointment. Please try to arrange more days or more tutors my child was so happy attending afternoon spots club."*
- *The teachers need to update parents on what they are learning and child's progress more often. Waiting for parents evening to raise any concerns or find out what they need to improve on isn't ideal for parent and teacher. It would be amazing if we could have a timetable of what is being taught in each term in each subject so that is parents can better prepare the children.*
- *If it is possible please open at 8:30 like before as usual. Thank you*
- *"Children want to talk with class teachers but they not listen to them what he/ she wants to explain if children makes complaints class teacher should take care with them but teacher ignores that issue not good please concentrate and give solutions for children. Thank you "*
- *add more options to school clubs*
- *"I wish Herrick primary school had extra maths and English clubs.*
- *I would like to receive weekly update from teacher on my child progress."*
- *Parent's evenings can be improved, the time slots are not long enough if there is more than the basics to be discussed, parents are cut off automatically and there is no follow-up from the teacher.*
- *Haven't heard any updates on child completing homework and standard of homework.. even if child haven't done any homework with in the time given no complaints from teacher.*
-
- *I would like more feedback and communications especially regarding academics and what i can do to improve on my child's academics as i have experienced that in other schools within the same Leicestershire county. So far that has not been provided.*
- *I would like more feedback and communications regarding the SATs. I am yet to get requested information on this and well as follow up from the school in that regards. As a parent whose child is about to do the SATs in a couple of months and in unfamiliar terrain, i believe that adequate information has not been provided.*
- *We appreciate if you could provide halal meals for school dinner*
