Year 3 & 4: Historic Workshops – Ancient Egyptians

Dear Parents/Carers,

We are pleased to inform you that Historic Workshops will be visiting Herrick Primary school to deliver an exciting, hands-on Ancient Egyptian workshop for our Year 3 and Year 4 pupils on **Wednesday 4th November 2026**.

This visit is carefully linked to the children's history topic and will bring their learning to life through artefacts, role-play and practical activities.

What the workshop includes:

- Interactive sessions led by experienced educators from Historic Workshops.
- Handling of replica artefacts and guided investigations into everyday life in Ancient Egypt.
- Short drama and costume opportunities to help pupils imagine life as archaeologists, pharaohs or artisans.
- Clear curriculum links to strengthen pupils' substantive and disciplinary knowledge in history and vocabulary development.

As Historic Workshops is an external specialist provider who offer high-quality, curriculum-matched experiences, there will be a cost associated with the workshop. This contribution helps to cover the cost of the workshop, so that the school can provide this enriching opportunity for all pupils.

This will be **£9.10 per child**. If your child is in receipt of free school meals, the cost will be reduced to £6.

To make the day even more memorable, children may come to school dressed in a simple Ancient Egyptian outfit (for example: pharaoh, servant, scribe). Please ensure costumes are comfortable and safe for normal school activities. Please note that there is no expectation to purchase anything specifically for this event.

If you have any queries about the workshop, please speak to Miss Kaur or Mrs Smith who will be happy to assist with these.

Please can we ask that **permission slips and payments are submitted by Thursday 1st October, 2026**

Thank you for your continued support.

Kind regards,

Herrick Primary School
